Company separation related changes to Asset Hub

November 1, 2015

On November 1, 2015, HP has split into two companies, HP Inc. and Hewlett Packard Enterprise. Visit the new [HP Homepage](#) and the [Hewlett Packard Enterprise Homepage](#) for more information.

For details and insights how HP Asset Hub and related services are impacted by the company separation, review the latest November 1 separation FAQ in the [Resource Center/News section](#).

HP Asset Hub Notifications will continue to provide you with the latest updates related to the HP Asset Hub system on a regular basis. In addition, visit the [HP Asset Hub Resource Center](#) for latest resources, training offering and access to support.

Best regards,

HP Inc. Asset Hub Support Team
