### 3. “Show snippets” feature

When you do a full text search, you will be able to select *Show snippets*. This will help you to view the most relevant information.

The screenshot shows the QuickSpecs search interface. At the top, it says "QuickSpecs provide technical overviews and specifications for HP hardware and software". Below this is a search bar with "elite 7320" entered and a "Go" button. To the right of the search bar, it says "4 documents" and "Show snippets" is checked. Below the search bar, there are filters for "Categories" (Desktops & Workstations (3)), "Status" (Active), and "Audience". The search results are displayed in a table with columns for "Title", "Language (Audience)", and "Actions". The results list four documents for the HP TouchSmart Elite 7320 PC, each with a snippet of text and a "View Pdf" button.
